UST CLEANUP FUND PROGRAM ANNOUNCEMENT: TRAINING SESSIONS ON PROJECT EXECUTION PLANS (PEP)

(June 16, 2016)

The UST Cleanup Fund is hosting training sessions on the preparation of the Project Execution Plan (PEP). A PEP is a governing document that establishes the means to execute, monitor, and control UST Cleanup Fund projects. UST Cleanup Fund staff will provide an overview of the PEP and its uses, demonstrate how to prepare the PEP, and explain the different processes to finalize and update a PEP. A question and answer period will follow. If you have any questions prior to or after the training, email them to: ustcleanupfund@waterboards.ca.gov with the Subject Line: PEP Training. For more information about the PEP, refer to:

http://www.waterboards.ca.gov/water_issues/programs/mercury/docs/pep_lyris_061616.pdf.

The training sessions will be held on the dates listed below. All training sessions listed below are web-based using the GlobalMeet teleconferencing application. Each training session can be accessed by selecting the following link or copying and pasting the address into your browser:
